

RAPID RECOVERY AFTER SUN GEL

AFTER SUN GEL | WITH SOOTHING ALOE VERA + NIACINAMIDE

REPLENISHING RAPID RECOVERY AFTER SUN GEL

A rapid recovery aftersun gel for faster, more effective relief from sunburn and to replenish dry skin. Enriched with soothing aloe vera and niacinamide to replenish and restore moisture. A natural anti-inflammatory, aloe vera soothes and softens skin, providing a protective layer to the skin which helps to retain moisture. Rich in over 75 different nutrients including vitamins, minerals, enzymes, sugars, anthraquinones or phenolic compounds, lignin, saponins, sterols, amino acids and salicylic acid, it works to nourish and rejuvenate skin. The addition of niacinamide helps to prevent water loss and retain hydration in the skin, helping to smooth out skin texture and reduce the appearance of sun damage and fine lines.

KEY FEATURES

- For all skin types
- Soothes & replenishes
- Fast acting relief from sunburn
- For face & body

KEY INGREDIENTS

- Aloe Vera
- Niacinamide

HOW TO USE

To soothe and moisturize skin:

Apply gel liberally to freshly cleansed skin. Smooth on evenly and blend thoroughly to soothe and hydrate dry or sunburned skin. For best results apply immediately after sunburn occurs or before sun exposure. For best results apply right after sunburn occurs or before sun exposure

RESULTS

Radically replenished skin and fast acting relief from sunburn
