

RAPID RECOVERY MOISTURIZING LOTION

RECOVERY LOTION | WITH HYALURONIC ACID + CERAMIDES

REPLENISHING RAPID RECOVERY AFTER SUN GEL

Transform dry, flaky, tired skin in an instant with Rapid Recovery Moisturizing Lotion. Hyaluronic acid and ceramides work hand-in-hand to replenish and restore skin hydration. Hyaluronic acid acts as a mega-hydrator, drawing in moisture to the skin, leaving you with divine soft, visibly plump, pillowy skin. Ceramides mimic the natural oils in your skin to provide a protective skin barrier that seals in moisture and protects it against harsh environmental aggressors.

Rapid Recovery Moisturizing Lotion suits all skin types looking for radically moisturized skin that feels softer and looks visibly plumper than ever before.
